

# The Social Impact of the New Green Economy

Come and learn about the exciting work of Asheville Green Opportunities (GO) and how your green-oriented business can be involved in this unique program. Asheville GO is dedicated to building a strong and just green economy in WNC from the bottom-up through green-collar job training, community education, and green microenterprises. [www.greenopportunities.org](http://www.greenopportunities.org)

Tuesday, December 8: 6-8 p.m.

Mountain BizWorks (153 S. Lexington Avenue)

**RSVP** by December 4, [jamie@mountainbizworks.org](mailto:jamie@mountainbizworks.org) or 253.2834 ext. 11  
Free for Mountain BizWorks' Members/\$5 for public. Finger food provided.

The **Green Business Alliance** is sponsoring monthly events for business owners who are either already doing "green business" or who have an interest in becoming more environmentally-friendly in their operations.

*\* All SBA funded programs are extended to the public on a nondiscriminatory basis. Reasonable accommodations for persons with disabilities will be made of requested two weeks in advance. Contact the staff member listed with said event to request accommodations.*
